

## Yorksire Tournament Report

London Romans FC entered two teams into the 2008 Tournament-London Romans Team 1 and London Romans Team 2. Both teams enjoyed outstanding success.

Our Team 2 finished among one of the top teams in their group. Their group was very competitive and our team members all performed extremely well. Among the team were Mark, Jason, Adam, Kyle and Andy. Mark's fierce defending, Jason's goals, Andy's amazing saves, Kyle's tackles and Adam's constant battle to play well despite being injured ensured that this team put on a splendid performance on the day.

Our Team 1 also performed very well with every player shining across the pitch. This team consisted of Rory, Leviathen, Kiere, Beyz, Ben and John. Rory and Beyz's tireless efforts in defence along with Kiere and Leviathen's shots on target ensured we remained competitive throughout our games. This group contained some very tough teams including some who are or have been top of the national league and this team performed extremely well against them. This team drew against the tournament champions.

Well done to both teams who ensured that London Romans FC displayed their strengths to the teams from across the UK who took part in this tournament. We also showed them all how to party well into the early hours of Monday 17 March being the last remaining team out partying. Well done everyone!

## **Yorkshire Tournament 2005 5-a-side Rules**

No referees until the quarter finals, therefore we ask that all players play in a fair, honest and sporting fashion.

Studded boots or blades cannot be worn, only trainers. Shin-pads are recommended for all players.

No offside.

No sliding tackles. They will result in an indirect free-kick.

No throw-ins or roll-ins (see below).

The keeper cannot pick up a deliberate back-pass and the keeper must distribute the ball out of the D within/not keep hold of the ball for more than 6 seconds in any situation. If this occurs, an indirect free-kick will be awarded from the edge of the D nearest to where the offence occurred.

After a goal has been scored, the re-start will occur from the centre spot.

In the event of a draw at the end of normal time from the quarter final stage, it will be decided by penalties (time allowing). The penalties will be taken by the 5 people on the pitch at the close of play, and if still level at the end of 5 penalties, it will move on to the substitutes. The sequence will be repeated as necessary. The penalties will be taken from the centre of the edge of the D, and a two-step run-up is allowed but no more.

All the additional regular rules of 11-a-side football apply. Any disputes that occur on the day will be decided by the timekeeper. In the absence of a Referee, the collective decision of the Tournament Organiser and/or the Timekeepers will be final.

In conclusion, all rules will be helped by the application of common sense by the players. Good luck and have a great tournament!
